

Accelerate your career in a program that continues your learning, hands-on

ATI's Early Career Leadership Program (ECLP) is a unique, three-year development program providing you with the opportunity to experience four nine-month rotations at our various business units, gaining hands-on experience ahead of a final, two-year focused assignment.

Assignments Timeline

Four rotations in various functional areas and at least two locations

Potential Functional Assignments:

Finance

- Corporate Accounting
- Tax
- Treasury
- Internal Audit
- Financial Analytics
- Business Unit Financial Planning & Analysis
- Business Unit Accounting
