The Warranty cannot be modified or supplemented except in writing by ATI signed by an authorized officer of ATI. No promise or affirmation of fact made by any employee or agent of ATI shall constitute a warranty, a modification to the Warranty, or give rise to any liability or obligation.

The Warranty is provided by ATI for all Products and services provided under this Agreement. Buyer shall include in its agreements of sale of the Products (as purchased from ATI or as incorporated into another product) to any third party, a provision disclaiming all implied warranties with respect to the Products sold hereunder, in substantially similar form to the disclaimer contained herein. In the event Buyer fails to fully and adequately pass through such disclaimer of warranties and/or Buyer makes any express warranties concerning the Products sold hereunder, Buyer hereby agrees to indemnify ATI from and against any and all damages, claims, demands, liability, losses, costs and expenses, including attorneys' fees, incurred by ATI based on or arising out of third party warranty claims asserted against ATI.

Buyer's failure to furnish a written claim to ATI within the prescribed period of time shall result in a full and irrevocable waiver of the relevant claim. ATI must be given the opportunity upon written demand to inspect the Products claimed to be nonconforming. Nonconforming Products, except for samples, shall be returned to ATI upon receipt of ATI's authorization to do so. All transportation costs with respect to the return of such Products shall be the responsibility of Buyer. Buyer shall demonstrate to the reasonable satisfaction of ATI that any nonconformity alleged was solely caused by a breach by ATI of the Warranty.

10. **FORCE MAJEURE.** ATI shall not be liable for loss or damage resulting from delay or failure of delivery or performance due to (i) ATI's other production requirements or plant conditions, (ii) strike, differences with workmen, lockout, or any labor shortage or difficulty, (iii) fire, flood, accident, quarantine restrictions, earthquake, tornado, epidemic or other casualty or act of God, (iv) war, riot, civil disobedience or other emergency or acts of civil or military authorities, (v) compliance with orders, priorities or requests of any governmental agencies, (vi) failure to obtain necessary permits, (vii) force majeure or other circumstances beyond ATI's control, (viii) any other force majeure which materially and negatively affect ATI's profitability of the Products provided under this Agreement, (viii) embargoes, failure of suppliers of ATI to meet delivery schedules or any shortage of raw materials whatsoever caused, (ix) inability or delay in obtaining labor or materials, (x) inability or delay in obtaining cars, trucks, fuel or machinery necessary for transportation, (xi) delay in ATI's Credit Department receiving information upon which its approval of this order is based, or (xii) cause, condition or contingency beyond the reasonable control of ATI, whether similar to those enumerated or not. In the event of any of the foregoing, ATI may apportion its production and all stock material among its customers in such manner as it may consider equitable and extend the time of performance by the period of such delay.

11. **TECHNICAL DATA, ADVICE, SPECIFICATIONS.** Any technical data, production data, production estimates and performance figures, advice, drawings and/or specifications furnished by ATI with respect to Products supplied and the use of such Products are given for informational purposes and without charge, and ATI assumes no obligation or liability whatsoever for any damages of any type, whether direct, indirect, consequential, incidental, special, punitive, liquidated, penal or otherwise arising in connection to data, estimates, advice, drawings and specifications given, or results obtained therefrom regardless of the legal theory or basis on which they are constructed. All such data, estimates, figures, advice, drawings and specifications shall be given by ATI and accepted by Buyer solely at Buyer's risk. ATI marketing material and technical sheets are issued for general information purposes only and shall not be deemed to modify the provisions hereof or create any warranties or guarantees.

In the event that ATI is providing Products hereunder which are experimental or are made or produced by an experimental process, then Buyer shall treat as confidential all technical data, specifications, and information of ATI relating thereto and not disclose to others or use the same for any other purpose.

12. **LIMITATION OF LIABILITY.** ATI SHALL NOT BE LIABLE UNDER ANY THEORY OF LIABILITY FOR ANY INDIRECT, SPECIAL, PUNITIVE, INCIDENTAL AND/OR CONSEQUENTIAL DAMAGES, LOSS OF INCOME, PROFITS OR PRODUCTION, ANY REPROCUREMENT COSTS; INCREASES IN THE COST OF OPERATIONS; AND/OR DAMAGES TO MATERIAL. BUYER ASSUMES ALL LIABILITY FOR ANY LOSS, DAMAGE OR INJURY TO PERSONS OR PROPERTY ARISING OUT OF, IN CONNECTION WITH, OR RESULTING FROM THE USE OF ATI'S PRODUCTS OR SERVICES, EITHER ALONE OR IN COMBINATION WITH OTHER GOODS OR SERVICES.

13. **TOOLING EQUIPMENT AND PREPARATION CHARGES.** All of the tools, dies, patterns, jigs, and fixtures, if any, which are required for the manufacture of goods shall remain the sole property of ATI and shall be retained in ATI's possession, whether or not Buyer has paid for ATI for

such items. These items shall be used by ATI in filling orders of, or in providing services to, Buyer, but if at any time a period of two (2) years has lapsed since the receipt of any order from Buyer requiring the use of such tools, dies, patterns, jigs, or fixtures, ATI may thereafter make any such use or disposition of such items as ATI desires, without any accounting to Buyer for such use or disposition, or the proceeds therefrom.

Preparation charges are those required for the initial production of the products including the design, material and preparation of tools that may be required. The payment of such charges does not convey any title or the right of possession to the Buyer of any such tools involved. ATI's charges to Buyer for preparation are made only for the specified rate of delivery. The charge for any change in design or different rate of delivery will be quoted by ATI upon request.

14. CHANGES, TERMINATION OR CANCELLATION.

ATI shall have the right to change, terminate or cancel this Agreement at any time without further liability to Buyer (i) upon 90 days prior written notice for convenience, provided only previously acknowledged Orders scheduled for delivery in such 90-day period shall be firm unless otherwise agreed by ATI and Buyer, or (ii) because of any other circumstance set forth in Paragraph 10 hereof or other circumstances which ATI may deem to require allocation of production or delivery, including but not limited to the effect of any laws, ordinances, regulations, directives, or administrative or other governmental actions, the compliance with which ATI shall deem to require such change or cancellation; or (iii) immediately for breach of any term of this Agreement by Buyer. No such change or cancellation by ATI shall be a breach of any provision, term, condition or covenant of this Agreement.

After acceptance hereof by Buyer, Buyer shall not change, terminate, cancel or modify this Agreement nor shall Buyer delay releases of Products manufactured or processed except with ATI's written consent, which consent shall be conditioned upon compliance with the terms and conditions hereof and the agreement of Buyer to indemnify ATI against all resulting loss.

Buyer's (i) cancellation of this Agreement, or (ii) demand that ATI suspend manufacturing, processing, shipment and/or delivery of the Products, or (iii) failure to furnish data or specifications when requested or required without ATI's written consent may be treated as a material breach of contract.

15. **CREDIT APPROVAL.** Payment terms as herein provided, work to be performed by ATI as set forth in the Agreement and Product shipments shall at all times be subject to the approval of ATI's Credit Department. In case ATI shall have any doubt as to Buyer's creditworthiness, or if Buyer fails to fulfill the terms and conditions of payment herein and elsewhere in the Agreement, ATI may decline to perform any further services, shipments or deliveries hereunder until receipt of satisfactory security including, but not limited to, full or partial prepayment.

In the event of anticipatory breach by Buyer or if the financial condition of Buyer at any time does not, in the reasonable judgment of ATI, justify continuation of the work to be performed by ATI hereunder on the terms of payment originally specified, ATI shall have the right to require full or partial payment in advance or if such payment is not provided, to cancel any agreement and work then outstanding and Buyer shall reimburse ATI for its cancellation charges.

16. **TERMS OF PAYMENT.** All payments shall be made in U.S. Dollars. Subject to approval by ATI's Credit Department, terms of payment are as set forth in the Agreement. In the absence of such provisions elsewhere in the Agreement, payment terms shall be net thirty (30) days from the date of invoice. Amounts unpaid after the payment term shall accrue interest compounded monthly at the annual rate of 18% or the maximum legal rate, if less. Buyer hereby grants to ATI a security interest in all Products subject to this Agreement (except for work by ATI on Buyer's goods) until the complete purchase price is paid by Buyer.

17. **DEFAULT IN PAYMENT.** Buyer's failure to make payments on any invoices issued under this Agreement or any other agreement between Buyer and ATI in accordance with the terms hereof or thereof, shall constitute a material breach by Buyer of this Agreement. In addition to seeking remedies against Buyer in Court regarding Buyer's breach(es), ATI may defer further shipments and defer rendering further services until such payments are made or, at its option, cancel this Agreement with respect to any remaining Product to be provided under this Agreement.

18. **PAYMENT OF FREIGHT, TRANSPORTATION, TAXES AND OTHER GOVERNMENT CHARGES BY BUYER.** Unless otherwise specified by ATI elsewhere in the Agreement, the purchase price of the Products covered by this Agreement does not include present or future freight charges, if applicable, and transportation taxes, and sales, use, excise, or any similar tax or other governmental charge upon or with respect to the sale, purchase, manufacture, processing, fabrication, delivery, storage, use and consumption, or transportation of the Products which ATI may be required to pay or collect under any existing or future law. Consequently, in addition to the price specified in this Agreement, the amount of applicable freight charges and transportation taxes and any present or future sales, use, excise or any similar tax or other governmental charges shall be paid by Buyer. If applicable, Buyer shall provide ATI with a tax exemption certificate acceptable to applicable taxing authorities. Whenever applicable, such tax or other governmental charges will be added to the invoice as a separate charge to be paid by Buyer.

Buyer shall pay or reimburse ATI if ATI pays, any and all Federal, state, foreign, municipal or other local taxes, charges, including lighterage, wharfage, landing charges, handling charges, tolls, dues, demurrage and other charges not regularly included in the ocean freight rate, and all import and other duties, customs and tariffs imposed upon this Agreement, the Products, or the delivery or use thereof, or upon any act done or document of title or other instrument used in connection with the Agreement, and any and all such taxes, tariffs, duties or charges imposed upon or measured by the sales contemplated herein or the purchase price payable hereunder.

In furtherance of the foregoing and not in limitation, and without regard to the applicable delivery term, ATI shall have the right to immediately increase the price of the Products to cover the amount of any existing or future duties, taxes, tariffs, customs formalities or other Federal (including, without limit, under Section 232 of Trade Expansion Act of 1962 and Section 301 of the Trade Act of 1974), state, municipal or foreign governmental charges imposed upon import of the Products or import of the work in process, raw materials or other supplies used by ATI to manufacture the Products ("Import Duties"). Notwithstanding the delivery term applicable to this Agreement, Buyer expressly waives any right to claim force majeure or any other legal or equitable right to terminate, suspend or amend this Agreement as a result of any Import Duties or other charges referenced in this section or otherwise avoid its obligation to pay any Import Duties or other charges referenced in this section.

19. **COMPLIANCE WITH LAWS.** Products, services and information supplied under this Agreement are subject to Buyer's compliance with all laws, including the U.S. Foreign Corrupt Practices Act and all other applicable anticorruption laws and regulations and U.S. import and export laws and regulations and may be subject to EU and other applicable countries' anti-corruption and export/import rules and regulations as well. Should Buyer's actions, or the actions of its owners, directors, officers, employees, representatives, consultants or agents, be found to be in violation of any law, penalty or disgorgement of profits against ATI for violation of any applicable laws, Buyer hereby agrees to indemnify ATI therefore.

20. **NO WAIVER.** Failure of ATI to enforce any of the terms, conditions and limitations of this Agreement shall not be construed as a waiver thereof or a waiver of any other terms, conditions or limitations herein or elsewhere in the Agreement. Additionally, the failure of ATI to exercise any rights arising from default of Buyer or otherwise shall not be deemed to be a waiver of such right or any other right. The terms, conditions, and limitations herein and elsewhere in the Agreement may be enforced and the rights of ATI may be enforced at any time in whole or in part. Under no circumstances shall the exercise of any right or claim arising out of or relating to this Agreement under an authorized officer of ATI signs a writing setting forth the precise right, defense, and/or claim being waived.

21. **ASSIGNMENT.** Buyer may not assign its obligations hereunder to any other person or entity without the written approval of ATI. A change of control, including, without limitations by operation of law, merger, consolidation, or otherwise shall be deemed an assignment under this Section. Any attempted assignment by Buyer in violation of this Section shall be ineffective and shall constitute a material breach hereof.

22. **APPLICABLE LAW AND DISPUTES.** This Agreement, including the interpretation thereof shall be governed by the laws of the State of North Carolina with the exclusion of (i) the United Nations Convention on Contracts For The International Sale of Goods, (ii) the 1974 Convention in the Limitation Period in Contracts for the International Sale of Goods and (iii) the Protocol Amending the 1974 Convention in Vienna, Austria on April 11, 1980 without regard for its principles of conflict of laws for which party drafted the language herein, prior course of dealing, course of performance or usage of trade.

Any controversy, dispute or claim arising out of or relating to this Agreement may be submitted to a court of law having competent jurisdiction to resolve the dispute. The parties hereby consent to the exclusive and sole jurisdiction of any state or federal court governing Monroe, North Carolina for purposes of any lawsuit brought in connection with this Agreement.

23. **NONDISCLOSURE.** Buyer must protect all Confidential Information provided to Buyer by ATI from unauthorized disclosure or use. "Confidential Information" shall include any and all information provided by ATI to Buyer regardless of form or format. Buyer shall not disclose ATI's Confidential Information to any third party without the prior written consent of ATI and shall limit its disclosure to its employees having a need to know such information for the purposes of this Agreement. Buyer shall protect ATI's Confidential Information by using the same degree of care (but not less than a commercially reasonable degree of care) used to prevent the unauthorized disclosure of Buyer's Confidential Information to a third party. Under no circumstances shall the exercise of any right or claim arising out of or relating to this Agreement shall apply to the exchange of confidential information between ATI and Buyer. Notwithstanding the foregoing, nothing in this Agreement will be construed as requiring ATI to provide Buyer with any information that ATI considers to be confidential and/or proprietary.

24. **INDEMNITY.** Buyer shall indemnify, defend and hold harmless ATI from and against any and all claims, demands, judgments, liabilities, damages, losses, costs and expenses, including attorney's fees (collectively "Claims") asserted against and incurred by ATI, arising out of or resulting from the use or incorporation of any Product manufactured by ATI in any product manufactured or assembled by Buyer, or any process conducted by Buyer or under Buyer's control, except to the extent such Claims are caused solely by ATI's gross negligence or willful misconduct. Buyer agrees that it does not rely on any representations, warranties, or advice of ATI regarding the appropriate use or application of such Products, and assumes full responsibility for testing such Products, as well as the final product into which they are incorporated, for safety and performance.

36. MODIFICATION. The terms, conditions and limitations herein can be modified, altered or added to only by a subsequent written instrument signed by an authorized officer of ATI which shall set forth with particularity and not through incorporation by reference the precise terms, conditions and limitations modified, altered or added to with specific written reference to the terms, conditions and limitations of this Agreement which are modified, altered or added to.
